

CITC Youthbuild

"Rebuilding Communities, Transforming Lives"

Interested in obtaining your GED while also learning skills and building experience in the exciting field of construction?

CITC Youthbuild may be for you...

Our 5 month program will help Alaska Native individuals who are between 18-24 obtain their GED, learn construction skills, receive on the job training, and have support with finding a job and/or getting into college after graduation. For more information please contact us.
