Department: Recovery Services (RS) at the Ernie Turner Center (ETC)
Reports to: Nurse Administrator
Supervises: None
FLSA Status: Flexible Part-Time & On-Call, Non-exempt
Wage: DOE
Effective Date of Hire: _____ End Date: _____

General Functions:

The Detox Nurse is a vital team member of the Detox and Emergency Care component of the System of Care. Incumbent is under the supervision on the Nursing Supervisor and is responsible for ensuring the safety and medical wellbeing of patients as they go through the detoxification process; including on-site health functions and off-site medical referrals.

Duties and Responsibilities, including but not limited to:

- Assesses participants; collect and document participant's current health status and medical history.
- Conducts health screening and monitoring of detox patients.
- Monitors patient condition, notes changes in status, utilizes judgment and takes appropriate action.
- Refers to off-site medical, dental and optometry services as needed.
- Follow up on medical referrals.
- Handles medication management; trains staff on medication dispensing.
- Ensures Universal Precautions of the unit; trains staff.
- Facilitates Health Education groups including General Health Education, Medication/Drug Interactions, Co-morbidity, smoking cessation.
- Transports patients to health appointments, as needed.
- Facilitates HIV/AIDS Education and referral for testing and counseling.
- Maintain a clean, neat, and safe environment for patient and staff according to policy and procedure.
- Maintain participant clinical files; keep charts updated; document appropriately.
- Member of treatment team.
- Ensures patient confidentiality in compliance with 42CFR, Part 2.
- Performs all other related duties as assigned.

Patient Relations:

- Maintain a respectful relationship with patients, former patients and family members.

Internal Relations:

- Maintain confidentiality at all times while displaying a professional disposition towards fellow staff.
- Maintain a positive working relationship with CITC staff and consumers alike.
- Participate in scheduled internal/external meetings/training as requested.
- Bring policy/personnel issues to supervisor as they arise.

Job Responsibilities Related to Patient Privacy:

- The incumbent is expected to protect the privacy of all patient information in accordance with CITC's privacy policies, procedures and practices, as required by federal and state law, and in accordance with general principles of professionalism as health care provider. Failure to comply with CITC's policies and procedures on patient privacy may result in disciplinary action up to and including termination of employment or membership or association with CITC.
- The incumbent may access protected health information and other patient information only to the extent that is necessary to complete your job duties. The incumbent may only share such information with those who have a need to know specific patient information you have in your possession to complete their job responsibilities related to treatment, payment or other CITC operations.
- The incumbent is encouraged and expected to report, without the threat of retaliation, any concerns regarding CITC's policies and procedures on patient privacy and any observed practices in violation of the policy to the designated Privacy Officer.
- The incumbent is expected to actively participate in CITC privacy training and is required to communicate privacy policy information to coworkers, students, patients and others in accordance with CITC policy.
